Mother/Son Fun Night 2015

Our first Mother/Son Fun Night is in the books. What a FUN FUN evening! There are so many people we need to thank!

Thank you to the high school boys who ran the games (and especially the ones who helped us with set up). This event NEVER could have happened without you and I personally think it was my favorite part of the evening. You guys made it so fun!!! Thank you for being role models for the younger boys!

Thank you for my volunteers... I have the BEST group of ladies that help me out. They make my job so easy!

Thank you to those sponsors who donated prizes for our drawing. We had some excited little boys!

But especially thank you to the moms and their SUPER sons who attended! You guys were so supportive of our first year! We appreciated your feedback and patience! Your boys were SOOOO well behaved! Great job moms!

We are already talking about Mother/Son Fun Night 2016 and have a lot of exciting changes and new ideas! Contact any of us with any other suggestions.

Happy 20th Birthday Families First!

This month I would like to thank all of my volunteers. I could never name them all, nor could I ever tell them how much their support and assistance means. Families First could never function without each of them and personally, I would never be able to do what I do. Plus... they make my job super fun! I adore and value each and every one of you. THANK YOU!

Happy Spring!
