Getting Through to Kids

Love and Logicism

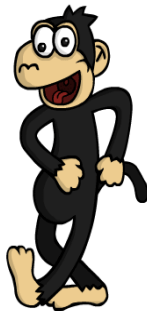

Kids are usually more likely to talk about difficult issues if they are interacting with us over some other fun activity.

Next time your child seems upset, play a game with him, start a woodworking project, or bake some cookies together. You might be surprised at what comes out!

April 1 is the Father/Daughter Dance. Any dad caught trying to tease their daughters with a “we are not going to the father/daughter dance” will be forced to danceTo Miley.... alone....on a stage... at the dance.

You have been warned!

HA!
