

Families First

Love and Logic Classes Begin Again in January!

Putting an end to whining and arguing? Teaching your children to be responsible? Helping your children learn from their mistakes rather than repeating them? Avoiding power struggles? Guiding kids to solve their own problems?

If you are looking for answers to any of these questions, then a Love and Logic Parenting Class is for you! This is not a class for “bad parents.” It is for parents who want to learn some new tips and techniques to raise responsible, respectful children and make parenting fun again!

Join me for a “Meet and Eat” class on Tuesdays or an evening class on Thursdays. You’ll experience a relaxed, casual atmosphere as we work through the “Love and Logic” curriculum, which includes videos, a workbook and optional discussion.

Free food, free childcare and valuable parenting tips...what do you have to lose!?! Go to www.familiesfirstofpella.org for more information or to register for a class.

Toys

Do you struggle with getting your child(ren) to pick up their toys? In this season of gift-giving, how can we get our children to take care of their stuff? Check out the attached article from the Love and Logic Institute.
